I Pray Also...

John 17

### **Context**

This sermon series focuses on the passion of Jesus Christ. Its intention is to prepare our church family for remembering the death and celebrating the resurrection of Jesus Christ. Scriptures are taken from John's gospel and each sermon emphasizes key statement/s made by Jesus. Each statement a clear declaration of who he is and the power that's his.

Read all of chapter 17 at least once before beginning to answer the following questions.

### **Questions for Study**

1. Have you ever had a conversation with someone, in the last days of this person's life, when they knew they were dying? What characterized this conversation?

Jesus prayed this prayer in chapter 17 on the last night of his life on earth. For this study I'm asking two more questions. They're 'what did you find' questions.

2. Write down each request made by Jesus in this prayer.

3. What do you learn about Jesus Christ and God the Father in our Lord's prayer?
